Ladies and Gentlemen:

I want to thank you for the Charity Chess Championship's recent gift to Mount Sinai. Your organization's support of the Ovarian Cancer Translational Research Fund will have a meaningful impact on our institution and the communities we serve.

With this contribution, Dr. Peter Dottino and his team will advance their efforts to develop novel therapeutics for ovarian cancer. None of this work would be possible without the generosity of organizations like yours, and we appreciate your partnership.

Thank you again.
